III. Services

Every regular member who participates in recreational or competitive dance training must contribute 5 hours per year to work at or in the clubhouse, on the club grounds, or at major events. This service may also be performed by the member's spouse, a parent, or a legal guardian.

Members under the age of 14 and over the age of 67 (as of January 1 of each year), as well as honorary members, supporting members, members of the Executive Board and Advisory Board, and other members designated by resolution of the Executive Board, are exempt from this service requirement.

Dates are set by the Executive Board and announced on the website with four weeks' notice. Upon consultation with the responsible Executive Board member, the service may also be provided on dates other than those specified.

The service obligation may be waived for a fee of 54 € per person per year.

The waiver fee is due quarterly in installments of 13.50 € along with the membership dues.

If membership begins after February 15, May 15, August 15, or November 15, the service fee is reduced by €13.50 for each elapsed quarter.

Once the service has been performed and the membership account is in good standing, a refund will be issued no later than December 31 of the current year.

IV. Special provisions

The Board of Directors is authorized to set different contribution rates and establish other rules governing the services in special cases.

V. Payment of contributions

Contributions and service fees are due on February 15, May 15, August 15, and November 15 of each calendar year. If the due date falls on a weekend or a public holiday, the following banking business day shall be considered the due date.

Membership dues are generally paid by direct debit on the respective due date.
